Public Information Office

**RELEASE:** IMMEDIATELY

### **LIBRARIES' COMPUTERS DOWN FOR SCHEDULED MAINTENANCE**

Fort Bend County Libraries' computers and telephones will be down on July 30 and August 1 because of upgrades to the library system's computer network. Patrons will not be able to use the libraries' computers, WiFi, catalog, databases, printing services, self-check, or the Internet, nor will they be able to access their library account. Services are scheduled to resume on Monday, August 2.

On August 3 and 4, Fort Bend County Libraries' library catalog (including patrons' library accounts) and Overdrive service will not be available. Computer services will be available to the public, but printing services may be intermittent. All regular computer-network services will resume on Thursday, August 5.

For any questions, call the library's Public Information Office at 281-341-2677 prior to July 29.
